1	A Yes.
2	Q Have you ever received any money for it?
3	A Yes.
4	Q Who paid it?
5	A Be IPC.
6	Q Has anybody else ever paid you anything in
7	connection with EMBLEM.exe?
8	A Not that I can recall.
9	Q Not that you can recall?
10	A Not that I can recall.
11	Q And your other answers are the same as for
12	the other software that IPC paid you something for?
13	A Pretty much except for the few exceptions I
14	pointed out like with DUPLO
15	Q I'm asking about for EMBLEM specifically,
16	the answers would be
17	A But DUPLO was also IPC but it had
18	exceptions.
19	Q Okay.
20	A And there were a couple others like that
21	too.
22	Q Okay. So let's move on to the next page
23	here. Number 21, freight control system. I take it
24	you're the author?
25	A Yes.
ŀ	

So have you ever been able to -- have you ever received any money from anyone other than the HEX settlement in connection with freight control system registration TX579445?

A I don't think so.

Q Same question for number 22, Prepaid vendor invoice for Crystal reports.

A Same thing. Anything related to FCS 1993, I think the only money that's ever been paid in connection with them related to the HEX settlement.

Q 23, FCS1993 SQL export queries used to export and translate freight control system data, database structure and data organization to text, CVS, XLS and MDB file formats. Are you the author?

A Yes.

Q Have you ever received any money for this?

A Again, as I stated before, only tangentially with the collection from HEX if we can -- if that's considered to be applied towards us.

Q Okay. Number 24, FCS1993, terminal reporting system, version 1.0 Have you ever received any money from that?

A Only in relation to HEX as we talked about before.

Q Okay. So all of these have nothing to do

     with Y. Hata, is that right?
 2
         Α
               That's correct.
 3
          Q
               And --
               You say "all of these". Just up to that
 4
         Α
 5
     point or further on --
 6
               Everything through number 24.
         Q
 7
         Α
               No. I said I pulled that one little piece
 8
     out.
 9
         Q
              You did say FlemingPO?
10
              Yeah. There was a little piece that I
         Α
11
     pulled out of there.
12
              All of these other than FlemingPO through
         Q
     number 24 are unrelated to what's being used at Y.
13
14
     Hata, right?
15
         Α
              Yes.
16
              Have you -- number 25, crystal -- FCS1993,
         Q
     crystal report, pallet tags, version 1.0. Are you
17
18
     the author?
19
         Α
              Yes.
20
         0
              Have you ever received any money from its
21
     use?
22
         Α
              Only the tangential payment from HEX.
23
              And again, that has nothing to do with Y.
         Q
24
     Hata?
25
         Α
              No.

          Α
               I don't think so.
  2
          Q
               What is the correct date?
  3
               I don't know. I'd have to look at the
     certificate.
  4
               You don't know when you authored this

     program?
               Not off the top of my head. It was sometime
 7
         Α
 8
     in the late 1990s.
 9
         Q
               Okay. Other than the settlement with HEX,
     is it true that you never received any money for it?
10
11
         A
               That's true.
12
              Anybody ever offered you any money for it?
         Q
13
              I guess you do from time to time but --
         Α
14
         O
              Other than settlement offers?
15
         Α
              0h --
16
              In the litigation, has anybody ever offered
         Q
17
     you anything?
18
              MR. HOGAN: Ones that they actually mean --
19
              THE WITNESS:
                             No.
              (By Mr. Smith) Other than for everything
20
    we've talked about up to number 29, has anybody ever
21
22
     offered you any money for it other than settlement
23
     offers in litigation?
              Yeah. We talked about some exceptions in
24
         Α
25
     there.
```

109 1 Q So you remind me what --2 Α Yeah. There were somewhere like the DUPRO 3 as an example. Where you've actually used it with Y. Hata? 4 Q 5 Well, sure. And a lot of times when Α programs design something new, that's one of the 6 reasons you register it because you're allowed to 7 take to make derivatives on some, you know. 8 For all of the ones where you said you 9 Q don't -- you haven't received any money, has anyone 10 offered you money that you didn't accept in 11 connection with any of the programs that we talked 12 about up to now through number 29 and again excluding 13 14 settlement offers? 15 MR. HOGAN: You're not talking about a jury 16 offering money? This is excluding judgments? 17 (By Mr. Smith) Outside of the litigation. Q I think in just a -- I think in just a 18 business sense, if that's what you mean, I think the 19 answer would be yes. Do I know who they are? No. 20 21 But my sense says it's yes. 22 So you don't know who has made you such an Q offer or how much they offered for any of the 23 programs that we've talked about up to now except 24

FlemingPO which is part of the Y. Hata package or a

25

110 1 derivative of it? 2 There have been situations over the No. years where people have asked to take something that 3 4 already existed. 5 Q Okay. And those would be among the first 29 6 programs that we've talked about here? 7 Even if people didn't enunciate it by Yes. specifically what program it was, it was implied in 8 9 general discussions. 10 Q And is it correct that you're not able to 11 identify any of those people who --12 Α I can't remember. 13 And is it correct that you're not able to Q say how much they offered? 14 15 Α Not specifically, no. You able to say generally how much was 16 Q 17 offered? 18 Α No. 19 Number 30, FCS1993 crystal report, daily Q 20 transportation schedule, version 1.0. You're the 21 author? 22 Α Yes. 23 Q Other than the HEX settlement, have you ever 24 been paid anything for it? 25 Α No.

               I may have been. I don't recall.

         Α
              Yes.
 7
              Other than the HEX settlement, have you ever

     been paid anything for it?

              No.

              Other than the HEX settlement, have you ever
11
     been offered anything for it?
12
              I may have been. No, I haven't been paid
         Α
13
     anything. I may have been offered something but.
14
              But you're not able to say by whom?

15
         Α
              No.
16
         Q
              And you're not able to say how much was
17
     offered?
18
         Α
              No.
19
              MR. HOGAN: I'll state for the record that
    his agent was offered -- Jamie Sprayregen offered
20
21
    money in Delaware --
22
              MR. SMITH: Okay. I assume that was
    probably in the context of litigation and I am
23
24
     excluding any settlement offers.

     other than the HEX settlement?
 8
 9
               Again, it falls into that category when
         Α
     you're talking about freight systems. People talk
10
     about what was and what is or something new, yeah, so
11
12
     I probably was.
13
              You're not able to say who made you an offer

18
         Α
              No.
19
              And you -- whatever the offer was, you
20
     didn't accept it, correct?
21

         Q
```

113 1 been paid anything for it? No. 3 Other than the HEX settlement, have you ever been offered anything for it? 4 Same as the answer to the previous one, 32. 5 Α And if I understood your answer correctly, 6 Q you may have been offered something but you don't 7 know from whom and you don't know how much? 8 9 Α Right. 10 Number 34, FCS1993, crystal report, load 0 plan, version 1.0. You're the author? 11 12 Α Yes. 13 Other than the HEX settlement, have you ever Q 14 been paid anything for it? 15 Α No. Other than the HEX settlement, have you ever 16 17 been offered anything for it? 18 Α Again, be the same as the previous answers. 19 Which is it's possible but --Q 20 It's possible in the context of business negotiations people comparing old to current doing 21 22 something. It's possible but you don't know who would 23 have made the offer or how much they would have 24 25 offered, correct? Sorry --

114 1 Α Yes. I'm sorry. 2 Q The answer is yes. Okay. 3 Is your answer the same? You're the author, you've never been offered anything for it 4 except in the HEX settlement and you've never been 5 offered anything from anybody else that you can 6 recall as you sit here today? 7 8 Α Correct. 9 0 Is the same true for number 36? 10 Α Correct. 11 Q Is the same true for number 37? 12 Α Yes. 13 Q Have you submitted anything to the United States Copyright Office other than the 37 items 14 15 listed on Exhibit E? 16 Α I think so. 17 Q What else? 18 Α I don't recall. 19 Q Well, you named one thing today when you said you had sent the copyright office a copy of the 20 document that you call Second Addendum, right? 21 22 Α I think so. 23 Q What else? 24 As I say, I don't recall. And I'm not sure if I actually sent that or if it's waiting to be 25

 6
               I take it you considered that document to be
 7
     an asset of yours?

 8
         Α

     yours.
10
              And to whom is that liability owed?
         Q
11
         Α
              Oh, me.
12
              MR. SMITH: Okay. I have a few minutes
            I want to take a quick recess and finish.
13
     left.
14
               (Recess taken.)
15
              (By Mr. Smith) Mr. Berry, you made reference
         Q
16
     to seeking an annulment. Where has that been filed?
17
         Α
              I'm in the process of filing it in Las
18
     Vegas.
19
              Okay. So nothing has been filed to date
         Q
20
     regarding --
21
              I don't know how that works. You fill out
